

CCA
COLLEGE AND CAREER ADVANTAGE

What is CTE?

Career Technical Education (CTE) prepares students with technical, academic, and employability skills for success in both college and career.

College and Career Advantage (CCA) is a Joint Partnership between the school districts of Capistrano Unified and Laguna Beach, providing high quality, relevant, and engaging CTE education across the region that prepares students for career and academic success.

BENEFITS OF TAKING CTE COURSES

- Experience careers that may assist you in selecting a college major
- Determine if you are interested in a particular career
- Hands-on experience with industry tools & instruments
- Internship opportunities with select classes
- Industry certifications
- Fulfill A-G requirements

PATHWAYS

- 15 Industry Sectors
- 58 Pathways
- Explore CTE Pathway Options with your Career Guidance Specialist
- Students must take a Level 2 and Level 3 CTE courses in sequence within the same pathway to be considered a completer
- Receive a Pathway Completer designation on your transcript

CCA STUDENT OUTCOMES

Upon successful completion, CCA students will be:

- Competent and prepared for college and 21st century careers
- Critical thinkers with strong communication skills
- Able to apply practical skills to real-world challenges and opportunities
