

College and Career Advantage

Middle School

SUMMER ACADEMIES

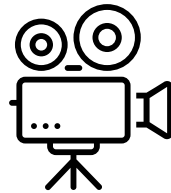

Incoming, 6th, 7th and 8th Graders! Join us in a hands-on learning experience in robotics, engineering, fire science, business or video production by participating in a CCA Middle School Summer Academy.

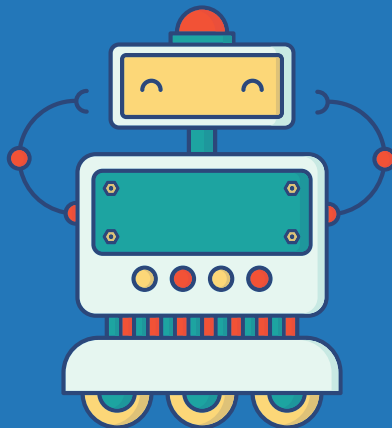

Students will get a preview of the career and technical classes that are offered in high school, explore career skills, 3D printing, laser engraving, robotics, engineering, business, culinary arts and video production in these exciting summer academies. There is no charge to CUSD or LBUSD students.
