## Honors Weighted GPA Courses

The UC and CSU Admissions office has approved an honors weighted GPA bump for CTE courses that are UC/CSU a-g approved, transferable, and articulated with a community college. This allows students the ability to earn college credit while in high school. Multiple CTE courses meet the criteria. Below is a listing of transferable CTE courses for the UC and CSU systems that qualify for the Honors Weighted GPA bump. Students who earn a grade of “A” or “B” in these classes will receive the GPA bump of 5 points, similar to an AP or IB course.

### Both UC/CSU Transferable

- Actors Repertory
